VOLUNTEER RELEASE AND WAIVER

I wish to volunteer for the Tucson Festival of Books. I understand that the nature of activities that I may perform in my capacity as a volunteer may involve physical activity, contact with unidentified and / or unfamiliar persons, and / or other potential risk of bodily injury and / or damage to property.

Knowing this, and in consideration of being allowed to volunteer, I hereby assume full and complete responsibility for any personal injury and / or property damage that I sustain or cause during my participation as a volunteer. In addition, I hereby voluntarily release, discharge, hold harmless and covenant not to file suit against the Tucson Festival of Books, the Festival's Organizers, Sponsors (including but not limited to the Arizona Daily Star and the University of Arizona), Exhibitors and any of its employees, volunteers, partners, agents, sponsors, board members and successors from and for any and all loss, liability or claims I may have arising out of my service as a volunteer.

If I am under the age of 18, my parent or legal guardian is granting their permission for me to fulfill these volunteer duties and accept all terms within this waiver, as witnessed by the electronic signature.

I give my full permission to the Tucson Festival of Books and their sponsors and corporate sponsors to use any photographs, videotapes, audiotapes and other recordings of me that are made during the course of this event. I understand that this waiver and release may be stored electronically and I agree that a copy is authentic and admissible as evidence in any future dispute or proceedings.

I also hereby confirm, represent and warrant that I have never been convicted of a violent crime, child abuse or neglect, child pornography, child abduction, kidnapping, rape, sexual offense, nor have I ever been ordered by a court to receive psychiatric or psychological treatment in connection herewith.

I have read and agree to these terms by checking the box in the Volunteer Registration system (*checking the box acts as your electronic signature*).
