### **In Case of Emergency During the Festival**

With over 100,000 guests, it is possible Participants will be witness to or called upon by guests to address an emerging issue. Here is some guidance about what to do in the most common situations where guests may require your help.

Lost & Found – Children, Elders, and Vulnerable Individuals:

- A lost child, elder, or vulnerable person who has become separated from their parent or guardian is a critical situation at the Festival due to the size and number of attendees. If a lost person is found at your booth, please ask that person to stay at your booth.
- Ask the person's name.
- Stay with the person and send someone to report the situation to:
  - The closest Festival Information Booth (indicated by red balloons)
  - The First Aid Tent

- Any Security Volunteer (yellow vest)
- Any Festival volunteer in the Festival t-shirt or personnel with a walkie-talkie
- Uniformed police officer
- The person you send will need to know your booth name and number, your booth location in the Festival. It is helpful if you can identify the nearest University building.
- Please provide the person's name, age, description of their clothing and other helpful identifying information. If the person is non-verbal or speaks a language other than your own, provide what information you can.
- DO NOT allow the person to leave your booth or protection, even if a child's parents return, until the proper authorities have arrived at your booth, verified identities, and canceled the notification.

#### Medical Emergencies:

The Tucson Festival of Books has a complement of onsite emergency medical personnel.

- If an emergency medical situation arises in or near your booth, you can contact the appropriate personnel through the following:
  - The closest Festival InformationBooth
  - The First Aid Tent
  - Any Security Volunteer (yellow vest)
  - Any Festival volunteer and staff with a walkie-talkie
- You will need to provide your name, the injured person's exact location (booth name, booth number, location) and the medical condition.

#### Minor Injuries:

The Festival has First Aid Stations located at the East and West end of the UA Mall area. Please consult the Festival map for the exact locations. If the injury is non-life-threatening and the patient can safely walk, they should be directed to a First Aid Station for care and treatment.

- The First Aid Station can dispense items such as aspirin or other pain relievers, and administer first aid for cuts, scrapes, exhaustion, etc.
- All Emergency Medical Personnel for the Festival are dispatched from the First Aid Station, so if you cannot locate a medical technician, you may visit the First Aid Station for help.

#### **Saturday Night Booth Preparation and Security**

- Seal any trash in a trash bag and place the bag directly in front of your booth.
- Break down any boxes you may want to have recycled.

- There will be some ground moisture on Saturday night; please take the appropriate precautions to move materials from the floor of your booth.
- Please be aware that water may drip down from the top of the interior of the booth. It is suggested that you put up some sort of tarp over the front of your booth or over your materials and equipment to protect from the elements and as a security precaution.
- Participants may have vehicle access to Science City loading areas on Saturday after 5:30pm to remove equipment. Equipment may be returned to the booth Sunday morning before 8:00am. Be prepared to show the loading zone placard/parking pass to access the UA Mall with your vehicle. Please be advised that there will be no overnight storage service provided by the Festival.

#### Things to Know About Security:

- The Festival will provide security throughout the Festival and overnight on Friday and Saturday evening.
- No other guards or staff will be allowed on the Festival grounds overnight.
- Our security staff will roam the grounds but will not be stationed at one particular booth.
- Participants leave materials in their booths at their own risk. If you are concerned about the safety of your equipment or product, you are encouraged to remove such items from the booth.

#### **Leaving the Festival (Sunday after 5:30pm)**

Festival Security will authorize break down to commence following the Festival's 5:30pm close. Participants must staff their space until 5:30 p.m. on Sunday, no early breakdown. Preferred hours for tours and open houses are 10:00 a.m. until 5:00 p.m.

- Please note: The CSPAN / Book TV or other vehicle may depart the mall at approximately 4:00pm on Sunday; this does not indicate that the Festival is closed.
- Sessions end at 5:00pm each day; however, visitors continue to visit exhibits through 5:30pm. Failure to remain open through 5:30pm may result in not being invited to participate in future Festivals.
- All Participants must maintain their booth intact and staffed until Sunday Festival closing at 5:30pm.

#### How to Load Out:

- You will enter at the same UA Mall access point you accessed for Load-In. You may bring **ONLY ONE VEHICLE AND TRAILER – SHOW YOUR LOADING ZONE PLACARD AT ACCESS ENTRY POINT.**
- Select a vehicle with sufficient capacity to complete your load-out in one trip.

- Participants must have all materials and equipment consolidated and ready to be loaded before driving their vehicles to the loading area. Begin consolidation after 5:30 p.m. Sunday.
- Vehicles will not be allowed access to a loading zone until authorization is given by a security volunteer to permit motor vehicle traffic in the restricted areas.

Remember:

- Please remove everything from your booth that you brought to the Festival.
- Festival employees will remove your banner. Arrange for banner pickup with the Science City Committee.
- Place all bagged trash along the curbs for pickup after 5:30pm on Sunday evening.
